

SYNCO CHEMICAL CORPORATION

## FDA CERTIFICATION

This is to certify that all Super Lube® products listed by NSF/USDA as H-1 rated, for incidental food contact, are formulated with clear, water-white, non-toxic, USP white mineral oils and/or synthetic oils that comply with FDA Regulation 21 CFR 172.878.

Furthermore, Super Lube® is formulated with ingredients that comply with FDA Regulation 21 CFR 178.3570 for lubricants with incidental food contact.

Certified by:

A handwritten signature in black ink, appearing to read "William Reilly", written over a light gray rectangular background.

William Reilly  
General Manager  
Synco Chemical Corporation
