## Benzophenone Free Statement

April 2025

This is to confirm that there is no Benzophenone present in any Super Lube® nor Synco Lube® product, nor are there any ingredients that are included in the "Candidate List of Substances of Very High Concern" as published in accordance with Article 59(10) of the REACH Regulation, last updated on January 15, 2019.

I certify that the above is true and correct.
