

KANO LABORATORIES LLC

2001/95/EC

April 2025

This is to certify that Super Lube® and Synco Lube® products are in compliance with Directive 2001/95/EC OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 3 December 2001, on general product safety.

Specifically, Super Lube® and Synco Lube® products are in compliance with Article 1, ensuring that products placed in the market are safe.

Kano Laboratories LLC has established, implemented and adheres to an effective and documented quality assurance system which ensures compliance with Articles 2(b) and 3,1 by only allowing a “safe product” on the market.

Kano Laboratories LLC has established and maintains an effective ISO 9001:2015 certified quality control system, which ensures compliance with Article 3, 1.
