

SYNCO CHEMICAL CORPORATION

2001/95/EC

May 2018

This is to certify that Super Lube® products are in compliance with Directive 2001/95/EC OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 3 December 2001, on general product safety.

Specifically, Super Lube® products are in compliance with Article 1, ensuring that products placed in the market are safe.

Synco Chemical Corporation has established, implemented and adheres to an effective and documented quality assurance system which ensures compliance with Articles 2(b) and 3,1 by only allowing a "safe product" on the market.

Synco Chemical Corporation has established and maintains an effective ISO 9001:2015 certified quality control system, which ensures compliance with Article 3, 1.

William Reilly

A handwritten signature in black ink, appearing to read "William Reilly".
