

KANO LABORATORIES LLC

FDA Certification

April 2025

This is to certify that all Super Lube® and Synco Lube® products listed H1 by NSF (former USDA guidelines), for incidental food contact, are formulated with components that follow the FDA Regulation 21 CFR 172.878 and FDA Regulation 21 CFR 178.3570.

For a complete list of products Kano Laboratories LLC has registered with NSF, visit the website address: <http://info.nsf.org/USDA/Listings.asp?Company=N06632>.
