Re: Korea Reach Pre Registration

As requested the INEOS Oligomers Korean Only Representative (OR) Intertek has named your requested importer **Rauh Chemical Co. Ltd.** in the Korean Reach Pre-Registration dossier that has been submitted to the Korean authorities for the following products and legal manufacturing entities.

When the materials country of origin is indicated as USA the registered legal manufacturing entity is INEOS Oligomers USA LLC, import of product can be made under the following Pre-Registration number.

Product	Substance Name	CAS #	KE No.	Pre-Registration No.
Durasyn® 148 Polyalphaolefin	Dodec-1-ene, homopolymer, hydrogenated	151006-63-2	2003-3-2379	K1906-135533

When the materials country of origin is indicated as Belgium the registered legal manufacturing entity is INEOS Feluy SPRL, import of product can be made under the following Pre-Registration number.

Product	Substance Name	CAS #	KE No.	Pre-Registration No.
Durasyn® 148 Polyalphaolefin	Dodec-1-ene, homopolymer, hydrogenated	151006-63-2	2003-3-2379	K1906-134832

Dated this 10th day of July 2019.
