

SYNCO CHEMICAL CORPORATION

CALIFORNIA PROPOSITION 65 DECLARATION (Prop 65)

January 2023

This certificate is to confirm that items produced by Synco Chemical Corporation do not contain chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986, with a current update of February 25, 2022. This is with the exception for the Super Lube® Dri-Film Lubricant with Synconon® (PTFE), which is properly labelled.

This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

I certify that the above is true and correct.
